RESOURCES LIST

SINGLE COURSE DISTANCE EDUCATION

A requirement of single course distance education enrolment is that the home school is responsible for providing students with necessary equipment and recourses. The following list is not exhaustive. Upon enrolment and during the course, students and supervisors may be advised that additional resources are required. Contact the relevant Head Teacher listed below for further information.

The home school is responsible for the following student resources, in addition to texts listed below:

- Quiet study area suitable for phone lessons
- Use of computer or laptop
- Printing
- Access to phone and email
- Specialist rooms and/or equipment (e.g. laboratory or sewing machine)
- Textbooks (listed below)

Please ensure students are prepared before the start of the academic year.
