

Resources List 2020

This list has been compiled so that schools will be able to order any necessary texts or other resources as required before the start of the 2020 academic year.

“It is a requirement for the home school to provide the required support resources eg printing, workroom, textbooks, computer, use of specialist rooms (eg laboratory), access to phone and email”

This list is NOT exhaustive. Upon enrolment and during the course, students and supervisors may be advised that additional resources are required.

Please contact the Faculty Head Teacher on (02) 6556 8200 for further information.
