

Benefits of a Bilingual Brain

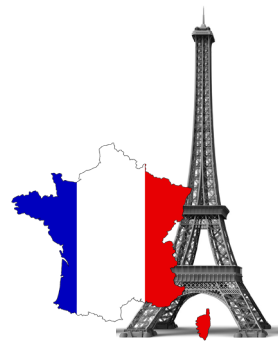

Preparation for the Future
Bilingual adults have several advantages over monolingual adults, including higher average salaries and greater career opportunities.

Academic Performance
Students in dual language programs consistently outperform monolingual peers on state-mandated tests, regardless of demographic.

WHY LEARN FRENCH?

- France is the world's number one tourist destination and attracts more than 70 million visitors a year. A little French makes it so much more enjoyable to visit Paris and all the beautiful regions of France, and offers an insight into the rich French culture and way of life.
- France has an amazing history, beautiful landscape, culture and food. Its people are world renowned in business, technology, food, fashion, design and the arts.

- More than 200 million people speak French. It is the second most widely learned foreign language after English.
- Global employers value employees who can communicate in more than one language and are able to participate in more than one culture.
