

Benefits of a

Bilingual Brain

Preparation for the Future
Bilingual adults have several advantages over monolingual adults, including higher average salaries and greater career opportunities.

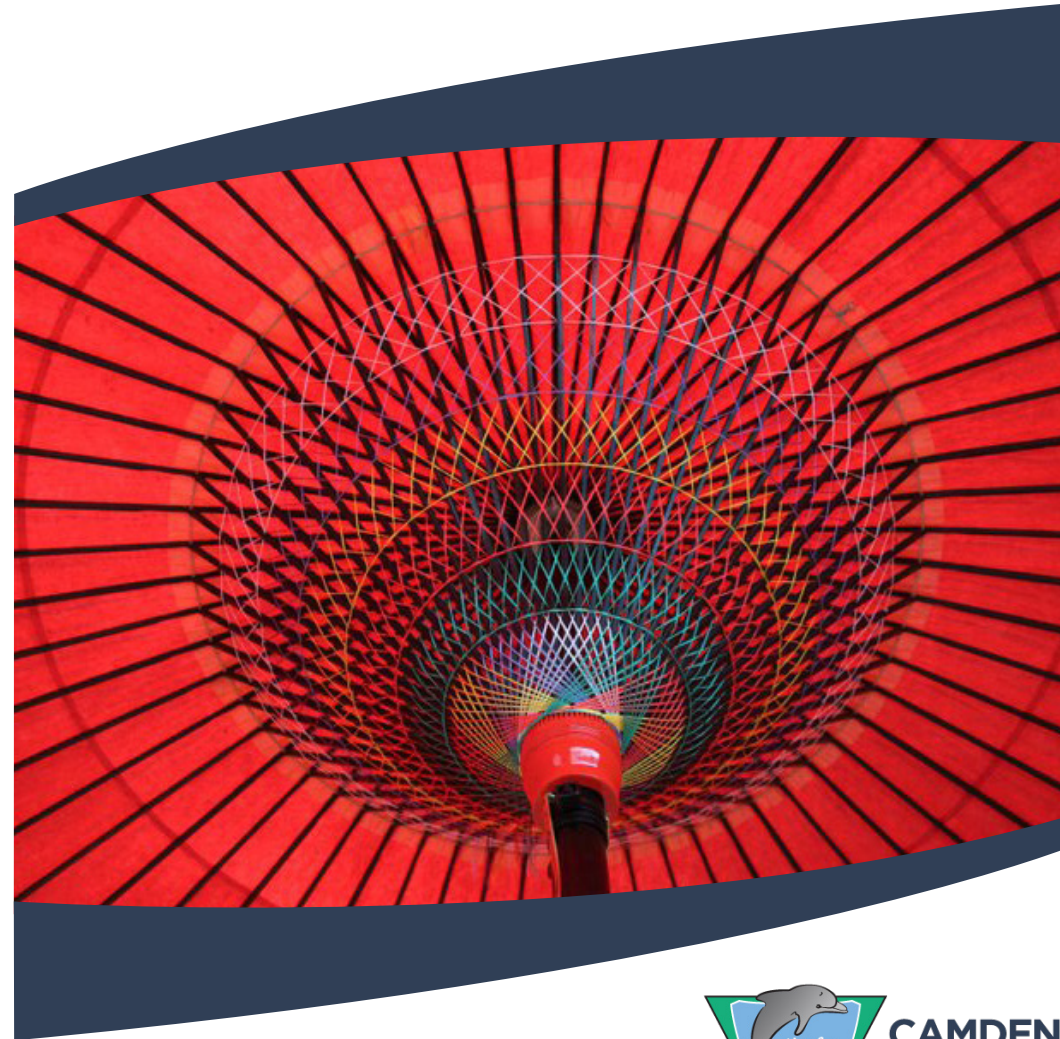

Academic Performance
Students in dual language programs consistently outperform monolingual peers on state-mandated tests, regardless of demographic.

WHY LEARN JAPANESE?

- Japanese has an amazing history, beautiful landscape, culture and food. Its people are world renowned in business, technology, food, fashion and the arts.
- Japan has the third largest economy in the world and is one of Australia's largest trading partners.
- The Japanese are well known innovators. Japanese culture is very popular in Australia, for example in *anime*, *manga*, computer games and fashion.

- People who speak Japanese are in demand as diplomats, teachers, translators, interpreters, and in business and tourism. Japanese visitors constitute a large portion of our tourism industry, therefore there are work opportunities in hospitality and tourism for Japanese speakers.
- Through studying Japanese, you will have a new perspective on the way language works.
- Imagining travelling to Japan and being able to speak Japanese! Make your experience unforgettable, converse with the locals, gain insight into real Japanese culture and daily life.
