# ACKNOWLEDGEMENT OF COUNTRY

We acknowledge and pay our respects to the traditional custodians, past and present, of this land of the Birpai people, who long before us, lived, loved and raised their children on this land. We also acknowledge all the Aboriginal Torres Strait Islander families in our community and acknowledge their physical and spiritual connections to this land. We come together today to learn, to share and to journey together.

# STARTING HIGH SCHOOL – TARGETED SPORTS PROGRAM

## TARGETED SPORTS PROGRAM INFORMATION - 2024

## THE PROGRAM

The Targeted Sports Program (TSP) is a selective sports program delivered at CHHS with five sport strands including Basketball, Soccer/Futsal, Rugby League, Girls Footy Sports (Touch, League Tag, Tackle) & Netball for selected students in Years 7-10.

All TSP strands participate in weekly skill development, conditioning, gameplay, coaching, teamwork & goal setting they also play organised interschool games on the North Coast and Hunter areas.

There are 7 TSP coordinators that lead each sport. TSP coordinators mentor students and work with them to improve their educational outcomes, performance and achieve personal goals.

The aim is to prepare students for elite pathways and utilise sport as the tool to improve them as young people and achieve CHHS's 3 core values - respect, responsibility and doing your best.

### Eligibility

Late Term 4 and early Term 1, students express interest, complete an application package including an attendance commitment and evaluation, student background information and complete a rigorous 7-week trial process. Students are assessed on their behaviour, attendance, fitness, skill and abilities, game play, effort and application with final squads selected of up to 20 students.

**Cost**

There is an annual fee - included is TSP training apparel (tee shirt, shorts, track pants, jacket) and assists in subsidising equipment, travel costs and contributes to other minor excursions.

## Training

All TSP strands receive expert training from qualified and experienced coaches in their chosen sport including a specific strength and conditioning program for each student to complete during lunchtimes in the school fitness centre with CHHS strength and conditioning coach. Students must wear their TSP uniform for all training sessions, games and excursions.

## Other Opportunities

Students in the TSP must meet academic, attendance, behavioural and performance standards however with this comes privileges such as numerous extracurricular activities and excursions. Each strand attends a professional experience excursion, for example the League strands attend an NRL excursion where they watch the Newcastle Knights team play, meet players and play games against Newcastle schools.

### More Information

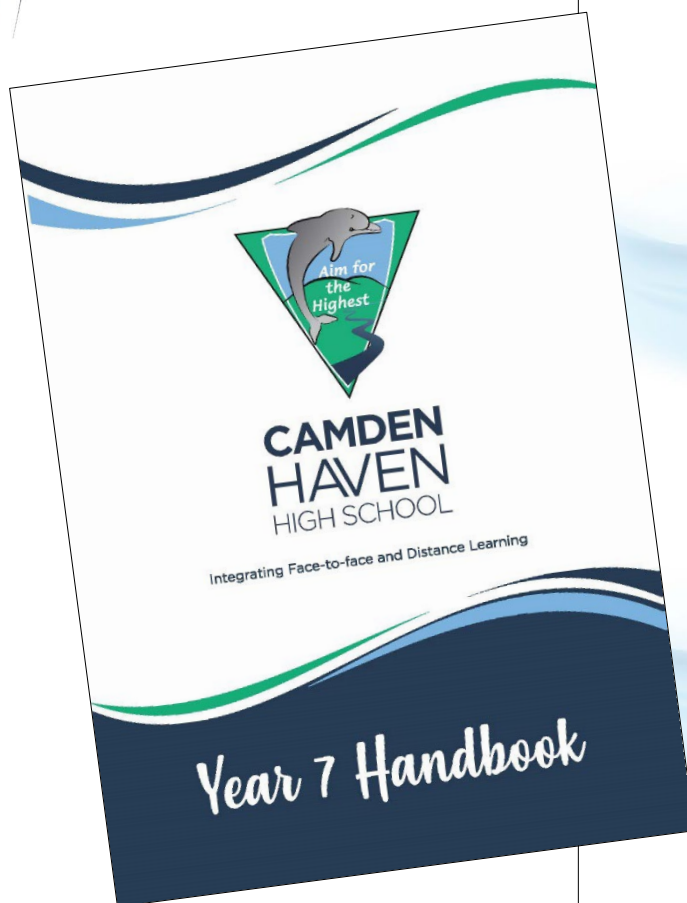

For more information, please contact the TSP Coordinator on 6556 8100.
