Dear parents and carers,

Year 8 students will participate in a reading and numeracy Check-in assessment.

The Check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor student learning.

The assessments can supplement existing school practices to identify how students are performing and to help teachers tailor their teaching more specifically to student needs.

The assessment will be scheduled for our Year 8 students during Term 4, Week 3, Tuesday 25th October, during Periods 1-4.

Students with a disability will receive the same level of support during the assessment that they would normally receive in the classroom.

Students are asked to bring headphones or earbuds that plug into a computer to enable them to hear audio during the assessment. Earbuds used for mobile phones or other portable devices may be suitable for use during the assessment. The type of computer connection needed is a jack or USB.

If your child needs headphones provided by the school, some will be supplied.

Sincerely,

Mr Jason Halliday
