

How do I sit the Minimum Standard Online Tests

- Distance Education students can complete Practice Minimum Standard tests and the Minimum Standards tests at Camden Haven Learning Hubs or Camden Haven High School.
- The practice and real tests need to be supervised by a teacher so we will liaise with Learning Hub teachers to arrange a time to practice and sit your test(s) at the Learning Hubs or alternatively at CHHS.
- Each numeracy and reading **practice** test takes 15 minutes, the practice writing test allows 45minutes.
- Each of the **real** tests allows 45 minutes for completion.
- Login PINS need to generated for every practice test and every real test
- Contact Carol Rudder 6556 8298 or email carol.rudder@det.nsw.edu.au if you have any questions and wish to organise times and dates to practice the tests.
